Pizza ?

No.

GYOZA!

Damn. Guess I shouldn't have demoted him to a sorcerer.

I need gyoza or my snack lineup won't be complete.

Who made 'em before?

Asu.

You're right!

Asu's over there.

Fuck it. Bring him here!

He doesn't look too good.

I'M TIRED.

I CAN'T... THINK STRAIGHT ANYMORE.

MAYBE THE ONES WHO TRIED TO TALK TO US?

WHO'S UP THERE?

WE PULLED OUT THE HAMMER, BUT NOTHING HAPPENED.

IS THIS IT?

TURKEY?

DEVILS DON'T SAVE LIVES FOR FREE.

WHAT DO YOU WANT?

WHY DID YOU SAVE ME?

...

UH...

GOT IT.

Oh, and grill the corn, too.

...

We have all the ingre-dients.

Your job is simply to make delicious gyoza for our party.

CHIDARUMA... WHERE ARE WE? I THOUGHT WE WERE INSIDE THE DEPARTMENT STORE.

WHAT ARE YOU DOING HERE, ANYWAY?

SO I WAS HANGING OUTSIDE OF THOSE WINDOWS.

A brutal, merciless show of life and death.

We're here to see some-thing very interesting.

Keep working!

Y-Y-YES-SIR!

MERCI-LESS...

SHOW?

Open the pam-phlet!

I found a new land. Creatures called 'humans' lived there.

My style at the time.

We'll start with page 9, where we stopped last time.

They didn't have special powers. They were undeveloped and weak.

Humans are lower life-forms. I didn't create them.

But they were intelligent enough to build a civilization.

I got really into playing with them for a good long while.

About a hundred years ago, I kidnapped several hundred of them to Hell.

Experi-
menting.

Training.

Eating
them.

Singing.

My
style
at the
time.

When I started
getting bored,
I went back to
their land for
the first time
in ages.

Sorcerers had killed most of the humans by this point.

There was a mountain of human bodies.

While I'd been away, the sorcerers had found this place.

The bodies were so befouled by the sorcerers that they wouldn't rot.

Sorcerers were a lot wilder back then.

The mountain was gone, replaced by this black pit.

Centuries later...

A deep, black pit of death.

I'd never seen any-thing like it.

A selection can be found on page 20. Refer to it now.

I took tons of pictures. I made albums and composed songs.

I was so enchanted by it, I named it the Hole.

My style at the time.

It is an evil hole of magic and death.

We are in that very pit right now.

SO...

It has but one desire.

Over these long years this Hole has become self-aware.

Well then! CHEERS!

SIZZ

How are those gyoza coming along?

UH, ALMOST READY SIR!

WHAT A COINCI-DENCE, I JUST KILLED A SOR-CERER ON MY WAY HERE.

KILLED HIM AND RAN WHEN I WAS SEVEN.

I WAS ORPHANED. I GOT ABUSED BY A SORCERER MAKING DRUGS AN' SHIT, THAT'S WHY I'M THIS WAY.

MY BOSS ORDERS ME TO KILL PEOPLE AND MAKE IT LOOK NATURAL.

I GOT MY CO-WORKERS FOOLED BUT...

I'M ACTUALLY HUMAN.

DON'T YOU THINK ADDING THEM TO THE FILLING MAKES GYOZA *JUICIER?*

WHAT DO YOU THINK ABOUT EGGS?
